

Rehab Consultant roles - Perth, Canberra, Darwin, Sydney

Occ Rehab opportunities available for **OTs, Physios, Reg'd Psychs** or **Rehab Counsellors** in Perth WA!

The employer is a **national** Rehab Provider who is looking for applicants with **12 months+** Occ Rehab **experience** to join their teams as Rehab Consultants in **Canberra & Perth** to grow and progress within the company. You will be rewarded with a **competitive salary** (in excess of \$55k) plus **quarterly bonuses** and **career development** opportunities.

This role will have you working on a **varied case** load which will have you conducting WPAs and FCEs as well as coordinating the return to work process, report writing and case management. This role is an office based **flexible environment** where you have the option of starting a little earlier/finishing a little later to work in with your family schedule/lifestyle.

If this sounds like a great opportunity for you or someone you know please don't hesitate to get in touch!

Also of note are opportunities you may have missed in previous communications for Occ Rehab Business Manager roles also in **Perth, Darwin** and **Penrith** (Sydney). Please see these and many other roles at www.jwhealth.com.au and go to our 'jobs section'

I'd be happy to answer any questions, simply email me on elena@jwhealth.com.au or call me on **02 99571166** to discuss in confidence.

Kind regards,

Elena Pascoe
