

## Rehabilitation Counsellor – Broome

- Casual or part time role (c. 2 days per week) with competitive rates
- The stability, resources & support of a national company at your fingertips
- The autonomy to get the job done with support when you need it

THE COMPANY: APM is the leading national private provider of assessment & rehabilitation services for the disability & injury management sectors. APM recognises the importance of work life balance & the varying demands external to work that our consultants manage, such as family, study and living life.

THE POSITION: Injury management services are provided within the workers' compensation, risk insurance markets & the disability sector. The role involves case management and assessments relevant to your discipline.

IS THIS FOR ME? Casual, or part time roles are available for a Rehabilitation Counsellor. Driving license is essential. You will be highly motivated, enjoying autonomy & flexibility within a role. You will have strong interpersonal skills, the ability to achieve rapid rapport with clients, a thorough understanding of the impact of injury & disability on functional abilities & experience in working to meet Deadlines. Assessment & report writing skills are a core competency.
