

## **Occupational Rehabilitation Counsellor**

Experienced Rehabilitation Counsellor required to join our busy and growing team in Sydney.

- Managing a varied caseload including psychological and physical injuries;
- Facilitating upgrades in people's capacity & helping them get back to work;
- Conducting assessments and providing professional opinion;
- Negotiating strategies with allied health professionals & attending work sites;

Building on your strong skills & expertise, we offer training, above market salaries, flexibility & a fun office environment. Ongoing, we provide staff with individualised role progression to retain & reward talented performers, with ongoing opportunities for career development incl. projects, quality and/or customer account management.

### **Our Ideal Candidate:**

- Rehabilitation Counsellor;
- Relevant registration with professional body;
- Injury management or Comcare experience highly desirable;
- Strong attention to detail, critical thinking & problem solving;
- Honesty, integrity, a good team attitude & positive approach;
- Genuine commitment to continuous improvement.

If you would like an exciting opportunity, have the drive to succeed and take pride in providing a high-quality service, this would be a fantastic opportunity for you.

### **The Benefits for You:**

- Competitive remuneration package;
- Generous incentive scheme;
- Laptop & iPhone;
- Our commitment to your work life balance;
- Flexible work options for the right candidate;
- Genuine & friendly working culture including regular staff social events;
- Work with prestigious clients incl. ASX 100 companies;
- Ongoing opportunities as our company expands; &
- Ongoing opportunities for career progression to a National level.

### **About us**

We are an established and growing provider of insurance industry services, with key customers incl. major insurers & ASX 100 corporations. Our company has expanded to a National platform, providing ongoing opportunities for diversification and progression. We currently have opportunities in Sydney and across New South Wales for Rehabilitation Counsellors seeking contractor, part time or full time hours.

Our services currently include Injury Management, Investigations, Claims & Risk, Training & Recruitment. Our success is reflected in our strong client base, sustained growth & excellent staff retention, affording a positive combination of job security and career progression.

Unlike other providers, we offer a real and demonstrated commitment to flexibility and to tailor roles to suit the strengths, interests and life stages of our staff, in order to reward and retain our committed performers. We offer higher than market remuneration, real flexibility, a positive and friendly working culture and the opportunity to develop and diversify according to your interests.
